ÇERÇEVE VE SÖVELER

MORE REASONS TO CHOOSE A KARATAŞ PVC DOOR

Panorama doors are made from Turekey's market-leading composite door slab. Our doors look great and can save you money on your heating bills compared to other doors in the market.

Exceptional Durability

High impact resistant skin reinforced. Selected Panorama products come with a 10-year peace of mind guarantee.

Thermal Efficiency

Tests prove a Panorama CompositeDoor is - 19% More thermally efficient than a 44mm traditional timber paneled door.

Unparalleled Security

Thanks to its rigid composite frame, high density CFC-free polyurethane foam core, high impact-resistant skin and high-quality multi-point locks. The door leaf systems are major components that have a proven ability to achieve enhanced security standards.

Stunning Aesthetics

The woodgrain finish was developed from oak tree grain, creating a beautifully authentic appearance, giving a seamless, elegant finish and impressive appeal.

Excellent Weatherproofing

Water-resistant polymer composite rails that protect its core. Your door will keep the weather at bay and stay looking good for longer.

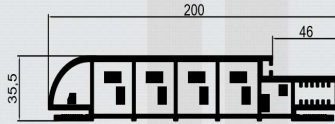

Superb Sound Insulation

Weighted noise reduction of 31 decibels. It means you can be sure your new door will keep outside noise to a minimum, helping to make your home the haven you want it to be.

Low Maintenance

Everything about a Panorama composite door is designed to be easy to maintain. Simply clean with warm, soapy water.
